grows, their plans to create music together also made it together. Time time He tried to make music remotely during the Covid-19 pandemic, Paak and Mars worked on Seda Sonic's face to face in the studio. "When you come in and you can get in with someone and other artists who could hold it and you're bouncing it, that's different," Paak said in the same interview. "That's the difference and you're really creating a slot from scratch. You guys are trying to figure out what's gonna work. "We don't know when a night with Sonic silk will still fall, but be sure it will provide some great good vibrations for a year that, frankly, deserves. That Silk Sonic's Grammy Performance brings a good energy from the Silk Sonic album, and that all that kindness translates into the good vibrations we all want in 2021. Continue reading the main story The duo gleefully reverse-engineers the sophistication of the 1970s analogue era R sensitiveB in a new album, "Un Evening With Silk Sonic."Anderson .Paak and Bruno Mars revisite the analogue era of 1970s R implicaB in a new collaborative album. Credit...Harper SmithPublished on November 12, 2021Updated on April 4, 2022 Anderson Paak was born in 1986. Bruno Mars was born in 1985. The sound of his new collaborative album, "Un Evening With Silk Sonic", comes from a decade earlier, from the 1970s, when the soul of the 1960s opened its way for a new sophisticated luxury embrace. The singers promised sensual pleasures, sharing fiery come-ons and velvety harmonies on opulent tracks, backed by abundant strings and horns. Working together as Silk Sonic, Mars and Paak reveal that the analogue era was passed in a homage hybrid,backward and meticulous reverse engineering, throwing in some joyfully knowing anachronisms. the skill, effort and scholarship, such as master master's pets ed secov odnagertne snruT ekaT kaaP y etraM .scinofleD sol y setil-iHc sol ,nattahnaM sol ,scorednalih sol ,ogeuf le y otneiv le ,arreiT al omoc atnetes so±Ãa sol ed sopurg sol ed odinos le eviver "cinos ades noc ehcon anu" ed aÃroyam aL .arup aicneserP 0791 ed edif us yb siH yb sediF anoB 0791 ed 07 so±Ãa sol ed cinoS ades al odnacifitrec , "oÃt led ystooB "omoc ragul orto ne ecerapa y" cinoS kliS ot-ortnI ", "mUBL;Ã le ne "omsim alliztooB" omoc agelL .knuf aÃnogomsoc al ne ahcefsitas y adiuqÃl s;Ãm albah ed zov al ed rodeesop le y , -â "cigaM k42" 6102 ed mUBL;Ã us ed lapicnirp n³Ãicnac al ³Ãlumis sraM adnab al ,ciledaknuF-otnemalraP led atsijab le ,07 ,snilloC ystooB euq sonem adan ed onu eneitbo oºÃd le y ,sonaicna ed n³Ãicareneg al ed nglS -oc nu rasu edeup cinoS kliS ,etse omoc mUBL;Ã nu araP .aicnegiletni al y aÃnasetra al ne noracilpud es sobma euq sartneim ,etraM ed pop sedadilareneg sal noc anoisuf es "kaaP ed dadicificepse al , "cinos ades noc ehcon anu nE .sodasep samet sose ed senoicacav sanu ad el cinoS kliS ;n³Ãiserper y n³Ãiserpxeotua ,acitÃlop ,otix@Ã ,oedes ,daditnedi ed senoisnet sal natnornfnoc ,0202 ed "nwodkcolB" omoc ,senoicnac suS .etnednutnoc atsiretab nu y ,B&R y oviv ne adnab ed amla ed onell ocisºÃm nu se n©Ãibmat ;saen ;Ãropmetnoc senoicidnoc nereiuqda sartel sus y ,raepar y ratnac ertne aibmac ,odiviv ah ednod seragul oS .oter ahcar etreuf anu noc atsitnemurtsniitlum nu se etraM .kaaP arap aso±Ãirac etnemanoteuguj etnegnat anu y etraM arap n³Ãicaunitnoc anu omoc atneserp es cinoS kliS .tar neub nu odnasap nareivutse is omoc naneus n©Ãibmat ;acifÃtneic arac al ed oimerp nu sandals and acrobatics and layers in prepared backups: cream solidarityAnxious calls and response, rental false oohs.The production, by Mars and D â , -â „ mile (which has recently worked with H.E.R. and Lucky Daye), brings all the instrumental floritures of the analog era: wind glissandos, wind, Wah, Wah -wah Guitars, Sitar Electric. Only a song has a crude for "programming"; The rest of the àjlbum, presumably, was touched by hand, in vintage style. "Between a smile" runs its confession of desperate anguish with the sounds of an elrigic storm, a guide to the radio formats of the 1970s of the 1970s of 1970. and the structures of the song are delighted with thick chromatic chords and increasing and edifying key changes ", especially" blast ", the àjlbum ", "we can take "? . Driven by paak's assertive drums, "Fly like me" and "777" invokes James Brown through Parliament. They cover few to include some blows, although Paak announces, in "Fly like me," that is "Holling of a 1977 mountain. Gold, the letters use a stronger word "that has the singer" Smokin "through the window of my benz. âgn © Nanding to its Rolex. In total, "one night with Sonic Seda" is a fabergator egg of a bum: a luxurious and impeccable Chauble Declaration, but there is delight in every detail. Sonic.
